Introduction

Nexia SAB&T is one of the leading audit and advisory firms in South Africa, providing accounting, audit, and consulting services.

We are part of Nexia, one of the largest auditing firm networks globally.

Nexia SAB&T was founded based on a shared vision among its directors to establish a prominent South African firm dedicated to providing comprehensive, multi-disciplinary services to a diverse range of clients.

Over time, the firm has achieved remarkable growth and success through strategic alliances, enabling us to expand our operations and establish a strong presence in the market.

Presently, our organization boasts a workforce of over 500 talented professionals across multiple business units, further bolstering our ability to serve our clients effectively.

Quality

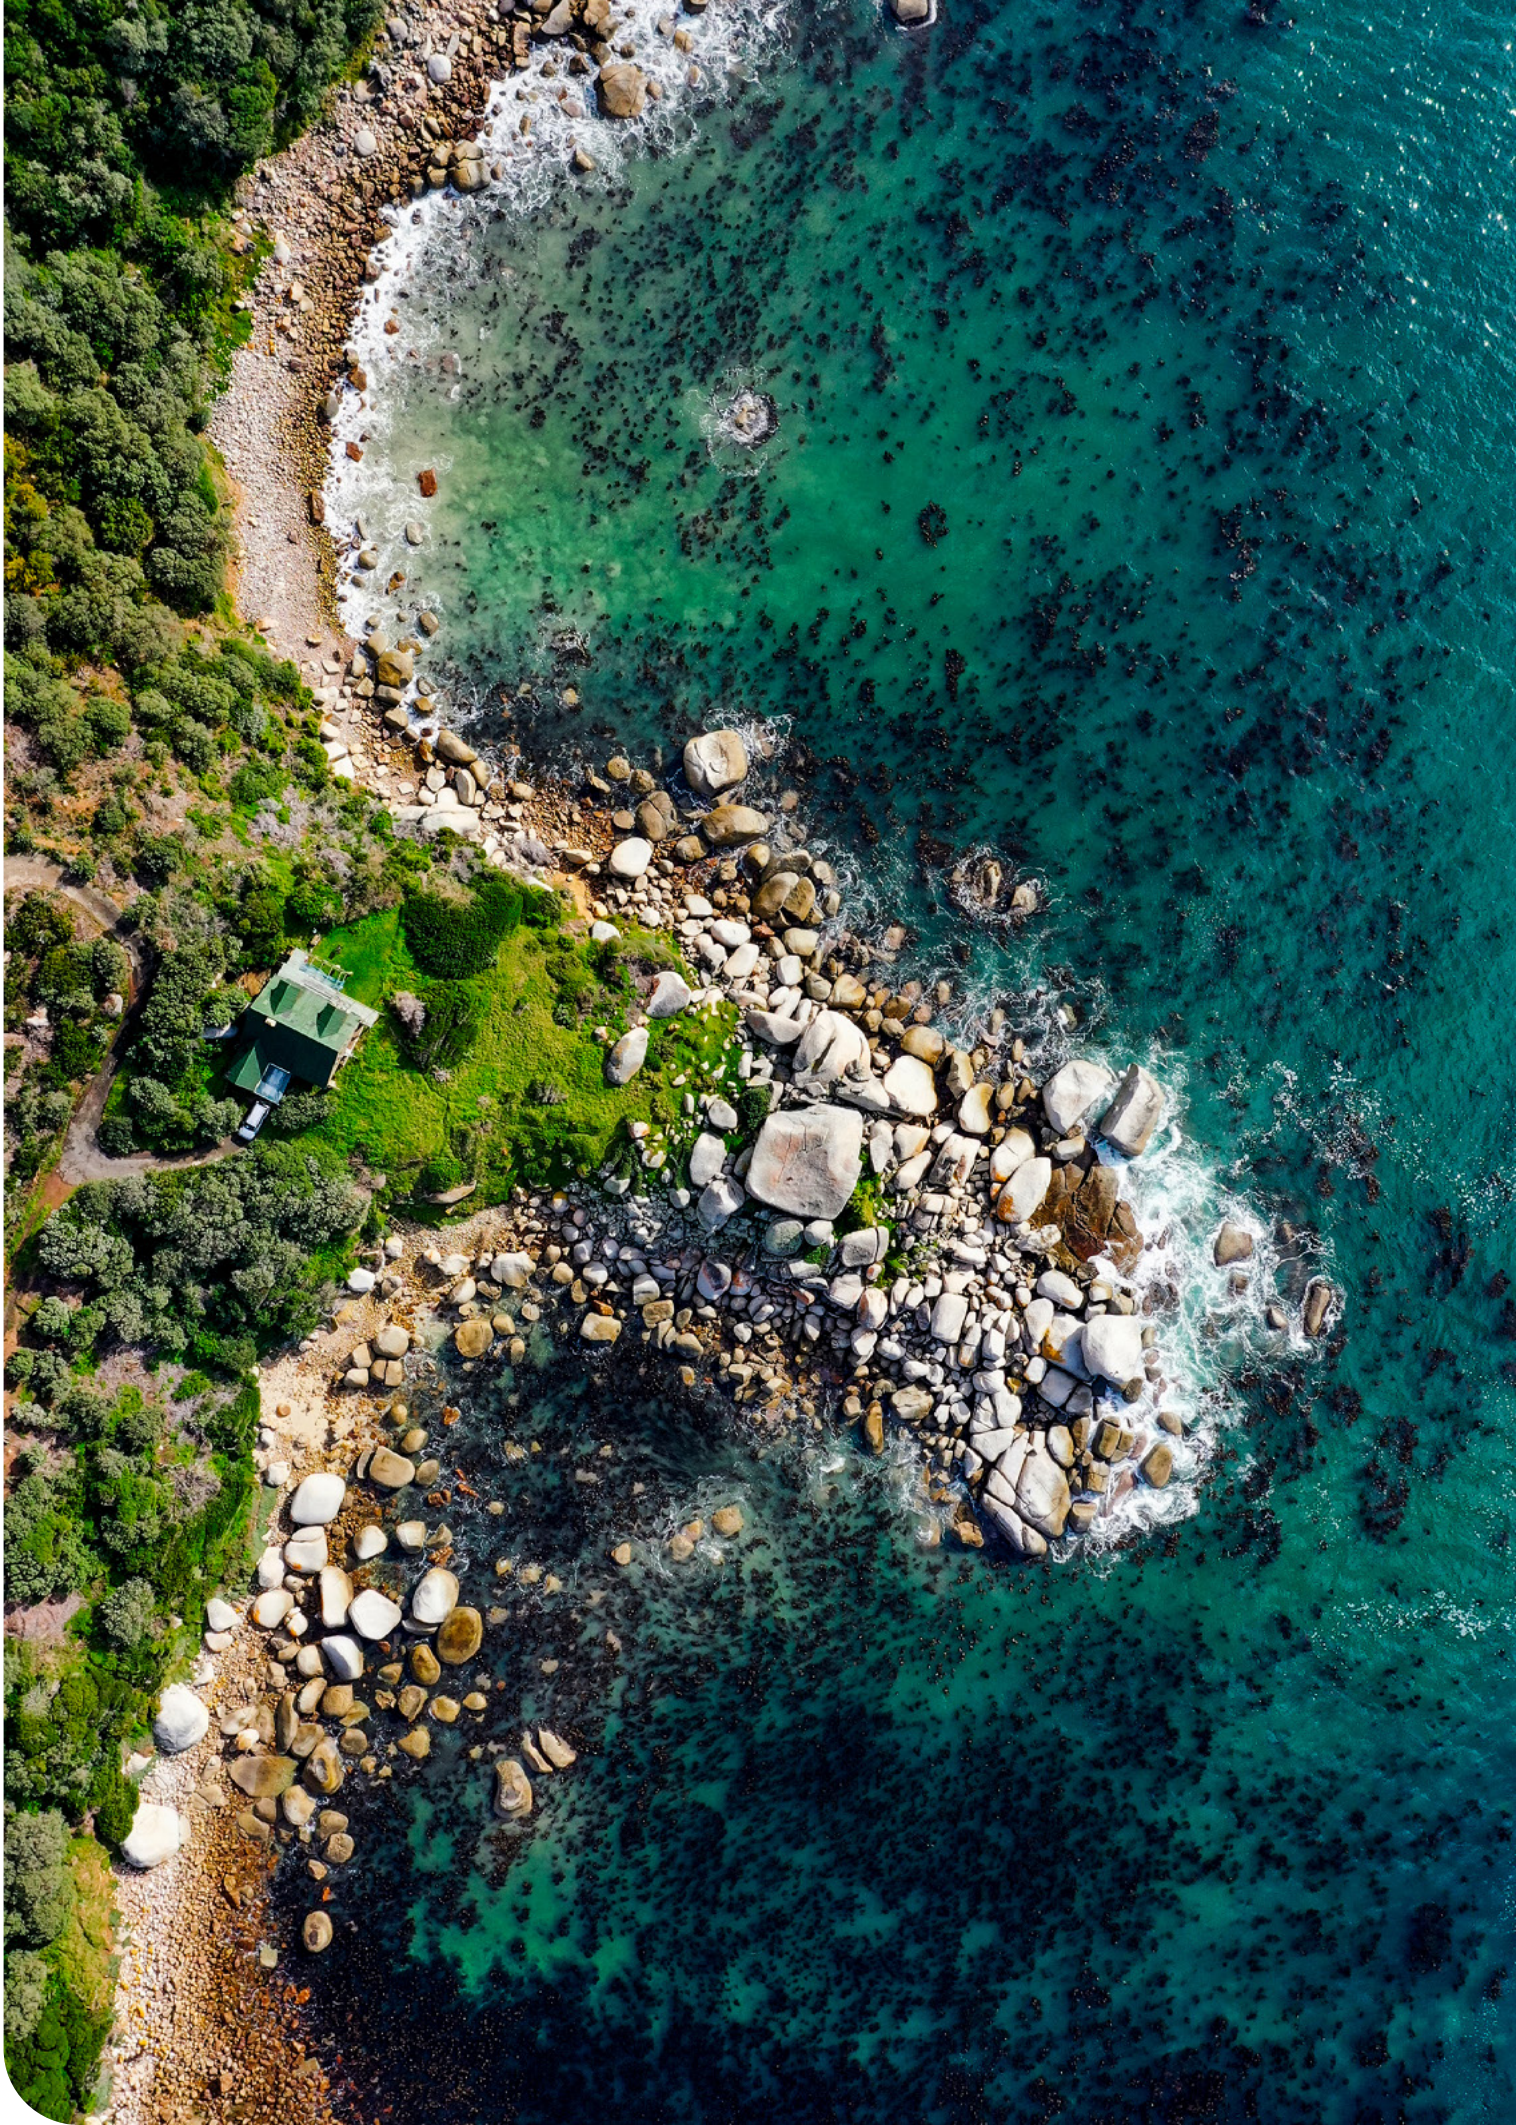

We pride ourselves on delivering a personalised service that revolves around being easily accessible to our esteemed clients and promptly addressing their requirements in a timely manner.

We prioritise cultivating robust and enduring partnerships, which are founded upon our commitment to exceptional service, unwavering quality, and a well-established reputation for enhancing value.

Our Memberships

Nexia SAB&T is a proud level 1 B-BBEE contributor and is committed to the empowerment of the previously disadvantaged. Our firm is representative of the demographics of our country and we are actively involved in numerous BEE initiatives.

Our African Reach

Throughout the African continent, Nexia firms offer a partner-led service to our clients, ensuring continuity, expertise, and a deep understanding of our client's business.

Our highly active network drives quality & facilitates collaboration

In Africa, Nexia member firms embody a strong entrepreneurial spirit and possess a deep understanding of small and medium enterprises (SMEs), donor-funded initiatives, and owner-managed businesses. As we continue to expand our presence across the continent, our primary objective is to provide unwavering support to local organisations as they venture into new markets with confidence.

Local Expertise & global reach

Our local expertise combined with a global reach gives us a competitive edge in offering personalised services and excellent expert advice to our esteemed multinational clients.

We assist them in managing and expanding their international operations. With our in-depth understanding of local markets and extensive network, we provide tailored solutions to address the specific challenges faced by multinational organisations.

Cross-border complexities

With a strong grasp of the complexities involved in cross-border business, we offer a wide range of capabilities and extensive experience in providing audit, tax, and advisory services to international clients.

Through our global network and local connections, we deliver essential business and industry insights to support the growth of multinational companies and organizations across Africa and globally.

Understanding of the African Market

Drawing upon our extensive experience in the African market, we are well-equipped to deliver top-tier services to our multinational clients, tailored to their specific local needs.

Our commitment to excellence ensures that we provide timely and efficient specialist advice, accompanied by business-oriented solutions.

With a team of knowledgeable and reliable professionals, we bring valuable expertise to the table, enabling our clients to make informed decisions and achieve their business objectives with confidence.

“

Nexia's continued success is what lies at the heart of the network: international knowledge, proven experience, and enduring relationships. This is reflected in Nexia's brand promise 'To support our clients across the globe on their path to growth.' When you choose a Nexia member firm, you get a more responsive, more personal, partner-led service wherever you are in the world.”

Our Services

Our unwavering commitment is to surpass client expectations by offering a cost-effective, efficient, and comprehensive service. With expert and impartial advice, we uphold the highest standards of professional conduct and expertise.

At the heart of our business is our SAB&T Foundation.

CSI extends past just the humanitarian feeling of giving back to the community, but encapsulates the core of what we do, working with our communities to support them, as much as they have supported our business in its growth.

The SAB&T Foundation utilizes various platforms to ensure that our community and educationally driven

initiatives have far-reaching effects in the communities in which we operate. The Foundation is involved in a

variety of charities spanning Education, Welfare & Humanitarian, Social Services, Sport, and Zakat.
